DAILY STAFF MEETING

Wednesday, 26 December 1951

PRESENT: Messrs. Long, Harvey, Davidson, and Becker.

HR70-14

Mr. Long noted that the General had stated that he desired the IAC representatives to receive a copy of [] report to the Director and he will undertake to see that this is done.

Mr. Long reported briefly respecting developments in the coordination of biographic information.

Mr. Long also reported briefly respecting developments in the preparation of coordinated "indicators".

Mr. Becker called to Mr. Davidson's attention a recent report by Ambassador Bonnet and suggested that the General might want to see him. (U)

Mr. Becker also called the attention of the meeting to the developments respecting Southeast Asia and suggested that all such developments should be carefully watched.
